# MURRAY CORPORATION "Create-a-Clamp"

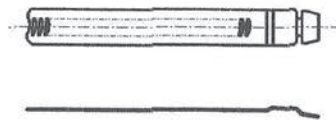

## "Create-a-Clamp" Clamp Making Kit

This kit contains 10 ft. of banding, 6 adjustable fasteners, and 6 band splices for making any size clamp you need. Instead of you adjusting your work to the size of the clamp, let the clamp adjust to you and make your work easier and faster. Create-a-Clamp Kit can be used to create permanent or temporary clamps and can be used for almost anything.

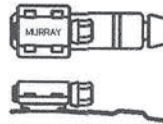

- All-300 Grade Stainless Steel
